

## COURSE FEES

The Academy's public website has up-to-date information on tuition fees for both [domestic students](#) and [international students](#).

All tuition fees due must be paid to the Finance Manager by the commencement of the Academic year (if paid in full upfront) or else before the commencement of each semester.

Non-payment of fees may result in one or more of the following actions:

- non-release of a student's academic transcripts
- withdrawal of a student offer of a place
- restricted access to the Academy's resources.

The Academy reserves the right to suspend students from classes for non-payment of fees. Special payment plans may be discussed with the Finance Manager ([maryanne.kraft@academyofdesign.edu.au](mailto:maryanne.kraft@academyofdesign.edu.au)).
